

Table of Contents

Finding of No Significant Impact	1-1
Background	1-1
Purpose and Need	1-2
Selected Action and Alternatives Considered or Analyzed	1-3
Alternative 1: No Action Alternative	1-3
Selected Alternative	1-4
Alternative 3	1-5
Actions Considered But Dismissed	1-6
Environmentally Preferred Alternative	1-10
Why the Selected Alternative Will Not Have a Significant Effect on the Human Environment	1-13
Geology, Geologic Hazards, and Soils	1-14
Floodplains and Water Resources	1-14
Wetlands	1-14
Vegetation	1-15
Wildlife	1-15
Special-status Species	1-16
Air Quality	1-16
Noise	1-16
Cultural Resources	1-17
Scenic Resources	1-17
Visitor Experience	1-17
Socioeconomics	1-18
Transportation	1-18
Park Operations and Facilities	1-19
Hazardous Materials	1-19
Cumulative Projects	1-19
Non-Impairment of Park Resources	1-19
Merced Wild and Scenic River	1-20
Growth-Inducing Impacts	1-21
Mitigation	1-21
Public Involvement and Coordination	1-33
Public Involvement	1-33
Onsite Public Meetings	1-33
Public Comment	1-33
Coordination	1-34
U.S. Army Corps of Engineers	1-34
Central Valley Regional Water Quality Control Board	1-34
U.S. Fish and Wildlife Service	1-35
California State Historic Preservation Office	1-35
Native American Consultation	1-36
Conclusion	1-36
 Floodplain and Wetland Statement of Findings	 2-1
Purpose of this Statement of Findings	2-2
Affected Floodplain	2-2
Floodplain Extent	2-2
General Flooding Characteristics	2-2
Description of Site-Specific Flood Risk	2-3
Existing Structures in Floodplain	2-3
Affected Wetlands	2-4
Wetland Extent	2-4
Wetland Characteristics	2-4
Existing Structures in Wetlands	2-6

Floodplain and Wetland Statement of Findings (continued)

Environmental Consequences of the Proposed Action on Floodplain and Wetlands	2-6
Floodplain	2-6
Wetlands	2-8
Alternatives Considered	2-13
Alternative 1 (No Action)	2-13
Alternative 2 (Proposed Action)	2-13
Alternative 3	2-15
Design or Modifications to Minimize Harm to the Floodplain and Wetlands	2-15
Site-Specific Mitigation — Subsequent Statement of Findings Necessary	2-16
Justification	2-16
Non-Wetland Alternatives to the Proposed Action	2-16
New Development	2-17
Existing Development	2-17
Redevelopment	2-17
Conclusion	2-18
